Feel satisfied with their job

93%

Feel the work place is inclusive and respectful

“ Halo is a supportive, inclusive company. They're forward thinking and always looking at how to improve the working environment, and are keen to develop and teach staff new ways of working and like to keep things simple and straight forward. ”

“ It's rewarding to work for such an innovative and progressive company. Processes in place work well but are regularly adapted to reflect changes in the industry ”
